Height Adjustable Laptop Desk

LPD01-3

This Height Adjustable Laptop Desk is the best solution for adding a multifunctional desk to any home or office environment. It's not only a laptop desk and a writing desk for working, but can be used as a breakfast tray for snacking as well as a bed table or a book stand for relaxing. The portable design makes it easy to carry around - you'll always have a laptop desk with tilt and height adjustment no matter where you go. Sure to help alleviate back aches, eye strain and neck pain if you find yourself having to work long hours in front of your laptop.
