

Melon Laptop Privacy Filter for Mac book pro 16, Magnetic

Protect the sensitive information on your Notebook - and your privacy! Especially in public areas, the data on notebook screens is hard to conceal from the view of passer-by's and protect your eyes from harmful rays.

Features

- Blue light reduction
- Left & Right 180° 2way Privacy
- Micro louver technology creates a narrow viewing angle of 30° each side
- Anti-Glare coating is applied to block 95% of the glare
- Reversible between a glossy side and glare-reducing matte
- Reduce eyestrain for more comfort
- Scratch resistance
- Minimize fingerprint & dust
- Magnetic mechanism-Easy to apply & remove
